Season Welcome

## Game On: Winterball Season Has Arrived!

It's Winterball time! We're so excited to kick off the season and see our players back out on the field. This season is all about learning, growing, and having a blast! From trying new skills to making

memories with teammates, our focus is on development and fun every step of the way. Here's to a season full of laughter, teamwork, and plenty of baseball magic. See you at the field!

### Message from the President

One of the best things about CLL is the strong sense of community that surrounds our league. Time and again, we've seen our families, players, and volunteers come together to support one another, both on and off the field. That spirit of teamwork and care is what makes our league so special—it's more than just baseball, it's a community.

## Board Feature

## Interested in Joining the Board?

We have a few open positions on our board and would love your involvement! If you're interested but want a smaller commitment, being a Member-at-Large is also an option.

Reach out to a board member and let them know you're interested. Come see what it's all about at our next board meeting on October 5th at 5 PM at Redhill Park — all are welcome!

***""Never let the fear of striking out keep you from playing the game""***

### Questions & Concerns

## We Hear You!

Thank you for sharing your feedback—we take it seriously and are always looking for ways to make the league better. For next season, we're focusing on improving communication around scheduling, events, and field assignments, as well as making sure officiating is consistent with clear rules. We'll work to balance schedules to avoid repeated late games or too many away games, and we'll re-evaluate snack bar expectations to make them more manageable for families.

We're also looking at enhancing our social media presence, since it's the most effective way to stay connected. We will be sending more emails out to families with information as well, for those who do not have social media. And of course, we'll continue supporting coaching quality while addressing any isolated negative experiences. Your input helps us create a stronger, more enjoyable season for everyone—thank you for being part of our community!
